

Green Technology. Blue Growth.

Specially designed for Fish Culture

TerraPRO-AQ50

your first step towards

Zero Antibiotic Residues.

What is TerraPRO-AQ50?

- TerraPRO-50 is a potent combination of single cell protein and biopolymers
- Works on the gut and Improves gut health
- Eco-friendly & Non-toxic

India's First Biopolymer Company

Manufacturing Unit: B-27, Vile Bhagad MIDC,
Raigad District

Cooperate Office: 203, Millennium Plaza,
Sakinaka Telephone Exchange, Andheri East,
Mumbai- 400072

Sustainability Goals that We Meet

Terrapha, creates **numerous new jobs during procurement, manufacturing, distribution, etc.**, which reduces poverty.

Terrapha can produce ample supply of **SCP-biopolymer based feed supplement that increases fish yield**, thereby feeding the growing population

Our feed supplements **enhances gut health & immunity** that drops antibiotic usage, **reducing antibiotic resistance** risks in poultry farms.

Zero antibiotic residue means healthier farm ecosystems. **TerraPURO-NP** is used for **water purification**.

Higher acceptance of poultry, aquaculture, cattle outputs along with **export of value-added feed additives**, contributing to the economic growth.

Terrapha improves feed efficiency, better health outcomes, **positions the industry toward innovation-led growth**.

Terrapha establishes integrated waste-to-value bio-refineries, creating **new green industrial clusters**.

Converts **waste into high-value feed**, reducing the dependence on fishmeal, or chemical ingredients.

Litter enriched with PHA-degraded components improves soil carbon content and microbial activity.

100% Biodegradable, leaving neither micro-plastic footprint nor antibiotic / chemical residues.

No arable land use and **no deforestation**.

At Terrapha

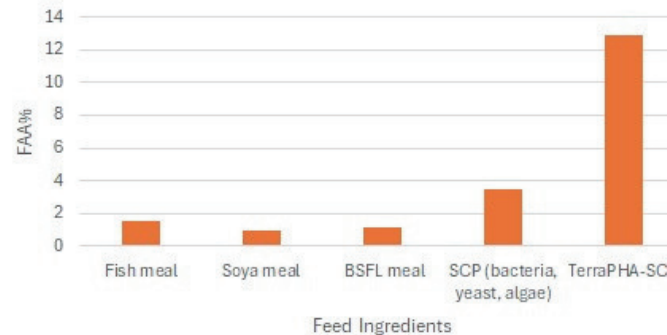

We believe in the power of gut healing.

Why TerraPRO-AQ50

Let's Talk Results

Typical FAA (Free Amino Acids)

✓ Strengthened Gut Microbiota Stability

✓ Superior Growth, Better Pigmentation & Market Quality

✓ Enhanced Immunity, Disease Resistance & Stress Tolerance

TerraPRO-AQ50 Improves gut health and Stress Tolerance

TerraPRO-AQ50 is a rich Protein, Amino Acid and Fat Source

TerraPRO-AQ50 Improves growth performance
